# ARE YOU MONEY SMART?

We all like to think we are 'money smart', but knowing how to wisely spend money, save money, and borrow money isn't always that easy. That's why financial partners, including not-for-profits, schools, libraries, financial institutions, and others are uniting again this year to put on a month of financial education programs and fun family events geared to make each of us more 'money smart'.

Money Smart Month will run throughout April with over 200 free classes, seminars, and kids' activities covering topics such as money management/ budgeting, managing your credit, protecting yourself from identity theft, planning for retirement, estate planning and much more. All of these programs will be held locally, but are part of a national awareness campaign, that will result in thousands of events and programs being held across the nation.

There are several special events we would like to highlight. Monopoly in the Park will take place on Saturday, April 7 from 1 pm to 6 pm at Souard Market Park; roll the life-sized die for a chance to win and learn about money. The Money Smart Kid Zoo Safari, a fun event for kids with games and prizes, will take place on Saturday, April 21 from 9 am to noon at the St. Louis Zoo's Living World. The Empowerment Fest, a music, arts and financial empowerment festival will take place on Saturday, April 28 from 9 am to 6 pm at Grandel Square – celebrating the Urban League's 100th birthday. There will be fun, games, music, speakers and free classes for all ages. Please see inside for more details.

Other exciting events include:

- **Money Smart Kids Storytime for young children at libraries located throughout the region**
- **Partnership for Success Career Fair (for Ex-Offenders) on April 10 at Chaifetz Arena**
- **Meet the Author: Beth Kobliner, "Make Your Kid a Money Genius" on Monday, April 9 at the St. Louis County Library Headquarters and Tuesday, April 10 at the St. Charles City-County Library Spencer Road Branch**

# SUCCESS!

Pursue your dreams  
with regular, steady savings

- ① **Set goals**
- ② **Pay yourself first**
- ③ **Automate your savings**
- ④ **Track your savings success!**

When you set aside some money every pay period,  
you'll build a savings buffer that will give you the financial freedom  
to pursue your dreams and protect your pocket when emergencies arise.
